MESSAGES FROM AIR FORCE LEADERS

Memorandum from the Chief of Staff of the Air Force

July 8, 2019

Fellow Airmen,

Our United States Air Force Academy (USAFA) offers extraordinary opportunities for our most qualified enlisted Airmen who meet the criteria to enter the commissioned ranks. We ask commanders and supervisors to encourage their sharpest Airmen to apply for the USAFA LEAD Program. Each year, approximately 70 Airmen are offered appointments to USAFA either directly or through its Preparatory School.

USAFA LEAD seeks young, talented and diverse Airmen with leadership potential who meet the USAFA entry qualifications and demonstrate outstanding character. Please encourage these Airmen to consider a commissioning path through our Air Force's Academy. As a reminder, each applicant must meet the following criteria: (1) no older than 23 years of age on 1 July 2020 for entry to USAFA or no older than 22 years of age on 1 July 2020 for entry to the Preparatory School, (2) unmarried, (3) a U.S. citizen (or be able to obtain citizenship prior to USAFA entry), and (4) have no dependents. Applicants must also meet eligibility criteria IAW AFI 36-2013, Enlisted Commissioning Programs. Encourage interested Airmen to retake the SAT and/or the ACT to ensure the most recent standardized test scores are submitted.

The LEAD Program is an opportunity for all Airmen who meet the qualifications. It is a warfighting imperative to build diversity into our ranks. Commanders and supervisors are encouraged to recognize the value of diversity in our Air Force and open the door for this program to Airmen from a variety of demographics, experiences and backgrounds.

The application is now open for the Class of 2024. An Airman wishing to apply for a USAFA appointment must go to academyadmissions.com to start the application. Airmen must also complete and submit an AF Form 1786 NLT 31 December 2019. The completed form and the commander's Letter of Recommendation must be mailed to: HQ USAFA/RRS, 2304 Cadet Drive, Suite 2300, USAF Academy, CO 80840-5025. Airmen with complete applications will be considered for direct appointment to USAFA or assignment to the USAFA Preparatory School in order to become qualified for the Class of 2025.

Additional information is available on the USAFA Admissions website (academyadmissions.com), through a Career Assistance Advisor, or at your local base education office. Interested Airmen and Air Force leaders may also submit questions to the USAFA LEAD team at [USAFA LEAD@usafa.edu](mailto:USAFA_LEAD@usafa.edu).

Memorandum from myPers Civilian Support Branch

July 24, 2019

Colleagues,

The purpose of this transmittal is to forward updated DCPAS guidance regarding compensatory time off for religious observances. The attached DCPAS message has been updated to include NAF employee information. The original OPM memo is also included here as all relevant information on time limits, accumulation and transitional provisions are provided in that document. While compensatory time for religious purposes is not identified in the current DoDI1400.25V550_AFI36-808, this should still be implemented using the guidance contained in these memos and 5 CFR 550.1001. We intend to include this form of compensatory time in a future revision to AFI 36-808.

This information has also been added to myPers at:

https://mypers.af.mil/app/answers/detail/a_id/44197/track/APM3swolDv8W~esYGkkC~yKw7Okq7i75Mv9U~zj~Ov_d

Questions can be forwarded to afpc.dp3fs.civiliansupportbr@us.af.mil.

Thank you.
